Elden Ring Features Key:

Full-fledged Action RPG's Favorite Features (*) Play a role of a high-class adventurer in a fantasy action RPG, rather than just being a skilled character. Your adventure continues with Game® Overhaul™, the key features that create an even higher degree of freedom. • A Game that Supports Your Playstyle The game is intended to accommodate all types of players. Personalize your character's skills with the character creator and booster system with elements such as your gender, hairstyle, and the voices of your companions that can be determined at your discretion. In addition, Overhaul™ allows you to freely set your play preferences, increase stamina, power up weapons, and so on. • An Enormous Adventure In an enormous world featuring *25 times* the amount of world content that Rune Factory 4 and *nearly 5 times* the amount of content that Rune Factory Frontier, you and your friends can go on adventures together. And so, the game's game world is also *fully navigable at the server-side in the case of a massive world*. • Nihon
