Features Key:

- Innovative football gameplay made even more realistic with new "Micro-Management" AI, a revolutionary new dribble model, shot mechanics and customisable skills.
- The most physical experience of a Real Player Impact Engine. From the defender's first touch right through to every sprint and pass, the game feels like you're in the middle of a massive, high intensity, real-life match. And the more action you see, the more it makes you feel the pace of real football.
- FIFA Ultimate Team.
- Career Mode.
- Intuitive controls that encourage and reward players for intelligent use of the ball.
- Comprehensive coaching system where everything you need is at your fingertips. Play one-on-one with a player, choose from pre-programmed or customised tactics and call it in the game or the heat of battle.
- Multiple camera angles to place your opponent under pressure.
- Move and slide your player around the pitch, taking advantage of your speed and skill to get into the most dangerous positions.
- Individual Player Abilities (IPA) - Physically based and player-specific, these will change the way you play. Graphics is computer-generated imagery (CGI) and is influenced by images of particular players in motion.
