## Plants vs Zombies: Garden Warfare 2.

Perhaps people play to entertain themselves not only by the puzzles, but also the zombies. But like PopCap, I could not understand the reason that the company did not release the game for six years. Plants vs Zombies 3 Plants vs Zombies 3 is a mobile game developed by PopCap Games. The new version of the classic game, this game will be released to the player's smartphones and tablets in late summer 2018. The game will continue the story of the 7th annual edition of the Plants vs. Zombies, and will also expand on the lands that have been founded at the beginning of the game.

The game adds new weapons, new character, new power-ups, and new game modes. It also brings a cooperative mode that can be played alone, to the winner of the previous levels against up to three friends, 5ec8ef588b
